STUDENT ACTIVITY FEE

There will be a **\$50 activity fee** for all students who will participate in an extra-curricular activity during the school year. The \$50 per student fee is a yearly fee that covers all extra-curricular activities the student participates in, regardless of the number of activities. All students must pay the fee or apply for and be granted a fee waiver in order to participate in activities.

Payment Options

- Pay Online with your Infinite Campus account. There is no additional service charge for this option and payments for multiple students can be made at once using a credit card or checking account. **DO NOT COMPLETE THIS FORM IF PAYING ONLINE.**
- For student-athletes – pay at the high school office or middle school office prior to the deadline listed below. **Do Not Give Payments To Coaches.**
- The first two (2) days of school, students may turn in their payments to their homeroom teacher.
- Before or after the first two (2) days of school, students can pay the fee in the Main Office.

Make checks payable to “YSSD Activity Fee” and note the students name and “SAF” in the memo section.

Student Activity Fee and Waiver Deadlines

- Fall, Winter, Spring sports – prior to the first day of practice (dates are posted on the website under the Athletics tab)
- Other extra-curricular activities – Prior to the first meeting

Note: Any student who has not paid the fee or who has not been granted a waiver will not be allowed to participate in any extra-curricular activities.

Please call the high school (717-885-1270) or the middle school office (717-885-1260) if you have any questions.

(Please, detach and return with payment.)
