

## **2025 Summer Season**

May 12, 2025 – July 26, 2025

TAC is pleased to offer registration for our 2025 Summer Season! We have secured space at York College and Graham Aquatic Center for practices. As in previous years, we will NOT have any home meets during the summer but we will be able to offer a full practice schedule.

### ***Registration is now open until April 30!***

*Register soon, as space may be limited this season.*

***Late Registrants (after midnight on April 30) will be considered on a case-by-case basis and will incur a \$25 late fee per swimmer.***

Children are required to be able to swim the length of a pool (25 yards) unassisted.

If your child is not a strong enough swimmer, you will be refunded your registration fee for season, so if you'd like to try, please sign up – it's worry-free!

TAC is a competition swim club where children will learn to set and accomplish personal goals, meet new friends, cheer like crazy at swim meets, and make memories that will last a lifetime. No one starts swimming knowing everything, but everyone on our team learns and grows together!

Please consider signing up for TAC today! We'd love to have you!
