

How far will you go for kids with cancer?

September 1 - 30

RUN, WALK AND CYCLE TO FUND CURES

The Million Mile is a month-long challenge that funds critical childhood cancer research. For Childhood Cancer Awareness Month, participants of all ages log miles while raising money to help kids with cancer. Our goal is to collectively move a million miles. Register now and join The Million Mile today for free!

HOW IT WORKS

1. Register: Join as an individual or create your own team and invite friends and family.
2. Fundraise: Ask others to donate to your team or pledge to donate per mile.
3. Log Miles: Run, walk or cycle to log miles and raise awareness. Sync with your fitness app for seamless mile tracking or log manually.

The school district neither encourages nor discourages a student's participation in the activity described herein.
