TAC is pleased to offer registration for our 2025/2026 Winter Season! We will be swimming at York College and sharing the pool for practices with the York Suburban High School Swim Team. This winter all of our swim meets will be Away meets, against local schools. The farthest we will have to travel is Hanover.

Registration is open from September 8 until September 19!

Register soon!

Late Registrants (after midnight on September 19) will be considered on a case-by-case basis and will incur a \$25 late fee per swimmer.

Children are required to be able to swim the length of a pool (25 yards) unassisted.

If your child is not a strong enough swimmer, you will be refunded your registration fee for season.

If you'd like to try, please sign up – it's worry-free!

TAC is a competition swim club where children will learn to set and accomplish personal goals, meet new friends, cheer like crazy at swim meets, and make memories that will last a lifetime. No one starts swimming knowing everything, but everyone on our team learns and grows together!

Please consider signing up for TAC today! We'd love to have you!

A meeting will be held for those interested; date and time will be sent via email and posted on the website.
